### **Brekford Corp. Awarded Federal Contracts for Vehicle Upfitting Services**

HANOVER, MD (November 30, 2009) – Brekford Corp. (OTCBB:BFDI), a leading homeland technology service provider of fully integrated vehicle installation and rugged technology solutions geared towards mission critical operations, announces the company is awarded Federal contracts of indefinite delivery / indefinite quantity (IDIQ) or blanket purchase agreement (BPA) contracts from United States Secret Service, United States Park Police, United States Navy Police and Fort Belvoir Military Police.

The indefinite delivery/indefinite quantity contract is valued up to \$3 million over two years. Under the terms of the contracts, Brekford will upfit marked and unmarked police vehicles, install mobile data solutions, mobile video systems, lights/sirens, radio communications equipment and accessories.

"We have been providing unparalleled upfitting services for state and local agencies and are excited for the Federal awards," CB Brechin, Chief Executive Officer of Brekford.

"The Federal awards are a significant part of Brekford's growth strategy," adds CB Brechin. "We have captured the state and local agencies attention for our top rate product and services and are excited to capture the attention of the Federal agencies. Considering that the Company has recently expanded into the Federal business market; there is increased revenue potential. The recent federal award contracts enable the Company an avenue to implement Brekford's 360° vehicle solutions; a one stop shop "smart" police vehicle upfitting, mobile data and video solution for purchase or lease."

Brekford Corp. is a leading homeland technology service provider of fully integrated vehicle installation and rugged technology solutions geared towards mission critical operations. For more than a decade, the company has provided services to branches of the U.S. military, various federal entities and numerous security and public safety agencies. Brekford provides these agencies with an end-to-end suite of mobile products and services designed to streamline procurement and operations.

Brekford 360° vehicle solutions provides complete vehicle upfitting, mobile data and video solutions including municipal financing and leasing services for agencies. The 360° vehicle solutions approach provides customers with a one stop upfitting, cutting edge technology and installation service.
