Brekford Corp. Awarded \$1.4 Million in New Contracts

Orders Exceed \$0.5 Million in the First Week of April

HANOVER, Md., April 12, 2010 -- Brekford Corp. (OTCBB:BFDI) www.brekford.com, a leading homeland technology service provider of fully integrated vehicle installations and rugged technology solutions, has announced it has been awarded \$1.4 million in projects, including over half a million in orders in the first week of April.

The new orders include projects to be completed for Prince George's County Police, Carroll County Government, Howard County Fire & EMS, Takoma Park Police, Annapolis City, Hyattsville Police, Charles County Sheriff's Office, Maryland State Police and Crofton Police Department.

"Despite the recent cut-backs in government spending, Brekford has seen an increase in spending for public safety solutions. I am certain that this positive trend is attributable to our superior service and customer satisfaction. Combined with increased demand for Brekford's in-car video solutions and 360 degree "smart" police vehicle package, this trend positions us for future growth," commented C.B. Brechin, CEO of Brekford Corp.

Mr. Brechin continued, "Brekford has been moving more rapidly than anticipated in its expansion into the Automated Traffic Photo Enforcement industry. Our state of the art call and processing centre is ahead of schedule. Public safety agencies are ready for a reliable, efficient, easy-to-operate photo speed enforcement solution and that is what Brekford is here to provide. We are what others are not."

For more than a decade, Brekford has provided services to branches of the U.S. military, various Federal entities and numerous Security and Public Safety agencies throughout the United States. We provide these agencies with an end-to-end suite of mobile communications, information technology, video solutions and vehicle upfitting and services designed to streamline procurement processes and offer maximum functionality for their day to day operations. Brekford is a one-stop shop for vehicle upfitting, cutting edge technology, video and installation services for homeland security, law enforcement, fire and emergency vehicles.
