Brekford Awarded \$2 million in Federal Contracts for Vehicle Upfitting Services

HANOVER, MD (February 26, 2010) – Brekford Corp. (OTCBB:BFDI), a leading homeland technology service provider of fully integrated vehicle installation and rugged technology solutions geared towards mission critical operations, has announced that it has received approximately \$2 million in new contracts.

The company is awarded Federal contract of indefinite delivery / indefinite quantity (IDIQ) or blanket purchase agreement (BPA) contracts from United States Marshals, US Immigration and Customs Enforcement (ICE) and US Park Police. The indefinite delivery/indefinite quantity contract is valued up to \$2 million over two years. Under the terms of the contracts, Brekford will upfit unmarked police vehicles, install lights/sirens, radio communications equipment and accessories.

“We have been providing unparalleled upfitting services for state and local agencies and are excited for additional Federal awards,” C.B. Brechin, Chief Executive Officer of Brekford.

“The Federal awards are a significant part of Brekford’s growth strategy and considering that the Company has recently expanded into the Federal business market; we are very energized by the increased revenue potential,” adds C.B. Brechin. “The recent federal award contracts enable the Company an avenue to implement Brekford’s degree vehicle solutions; a one stop shop “smart” police vehicle upfitting, mobile data and video solution for purchase or lease.”

Brekford Corp. is a homeland technology service provider of fully integrated vehicle installation and rugged technology and video solutions geared towards mission critical operations. For more than a decade, we have provided services to branches of the U.S. military, various federal entities and numerous security and public safety agencies throughout United States. We provide these agencies with an end-to-end mobile communications, information technology, video solutions and vehicle upfitting and services designed to streamline procurement processes and offer maximum functionality to their day to day operations. Brekford is a one-stop shop for vehicle upfitting, cutting edge technology, video and installation services for homeland security, law enforcement, fire and emergency vehicles.
